

EMERGENCY MEDICINE CLERKSHIP EXPECTATIONS

**OAK HILL HOSPITAL EMERGENCY MEDICINE
RESIDENCY PROGRAM**

OVERVIEW

- ▶ Oak Hill has been providing quality healthcare to Hernando and Citrus counties since 1984.
- ▶ Its a 350 bed facility and it's the largest medical facility in this area.
- ▶ Provides a range of services throughout it's heart Institute, orthopedic and spine institute, maternity suites, Cancer Institute, women's imaging center, pediatric ER an adult emergency rooms and express lab.
- ▶ Our clinicians provide the highest, safest, patient centered care to our community.
- ▶ Our Emergency Department has 60,000 visits a year.

OVERVIEW

EMERGENCY DEPARTMENT

At Oak Hill Emergency Department every medical student and resident are supervised by a board-certified emergency medicine faculty. Our Emergency Department care for approximately 60,000 patients a year and we have an admission rate of 31% an acuity and 7%.

OVERVIEW

- ▶ The student will have responsibilities, supervision, and performance expectations comparable to that of us starting first year at EM resident
- ▶ Instruction is center on bedside clinical supervision by faculty and residents in the ED

OVERVIEW

- A comprehensive didactic schedule is provided and includes conferences prepared for residents and students as well as conferences designed exclusively for students

OBJECTIVES

- Perform an appropriate history and physical examination on pediatric, adult and geriatric patients.
- Recognize common, urgent and emergent problems, and develop a differential diagnosis for these common presentations

OBJECTIVES

- Interpret results of common lab studies, recognize basic ischemic patterns and arrhythmias on EKG tracings and interpret radiographs of the chest abdomen and extremities
- Recognize the indications for specialty or subspecialty consultation and/ or admission
- Apply real time data acquisition to patient management

SHIFTS

- The student is required to do a total of 12-14 shifts
- Each shifts, are 10 hours long with exception of the US shift.
- Shifts will include days, afternoons, evenings, as well as weekends and holidays.
- The student will have blocked each week timedesignated as a reading/conference day

REQUIRED CHIEF COMPLAINTS/PROCEDURE/CASES

- The student will be responsible to have a check list where he/she will see at least one patient with a specific chief complaint. The student will be required to do a case presentation during residency didactics. Please start completing this form at the beginning of your rotation.
- Keep a log of all the procedures that you perform, not only the ones required.

CHIEF COMPLAINTS AND PROCEDURES

1. Chest pain
2. Shortness of Breath
3. Abdominal Pain
4. OB-GYN Emergencies
5. Toxicology
6. Altered Mental Status
7. Trauma
8. Airway Management
9. Pediatric Emergencies
10. Environmental Emergencies
11. Headache
12. Stroke

CHIEF COMPLAINTS AND PROCEDURES

13. Procedures

- Laceration repair
- Incision and drainage
- IV insertion

REQUIRED READING

- Texts include:
 1. “The Clinical Practice of Emergency Medicine,” seventh edition, by Ann Harwood-Nuss et al.
 2. “Emergency Medicine, A Comprehensive Study Guide,” eight edition, by Judith Tintinalli et al.
 3. “Clinical Procedures in Emergency Medicine,” ninth edition, by Roberts & Hedges et al.
 4. “The Radiology of Emergency Medicine,” fifth edition, by John H Harris, et al.
 5. USMLE Road Map Emergency Medicine, 1st edition, Scott C Sherman, MD and Joseph M Weber, MD, Lange Medical Books/McGraw-Hill, USA, 2008.

 - DIEM cases

POLICIES

- Attendance
 - Attendance to each shift is mandatory
 - Make-up shifts should be done for any missed shift
 - Only proper excuses for missed shifts will be accepted
 - You will be responsible for proper coverage of a shift in the event of an exchange of shifts
 - Clerkship Director, Emergency Medicine Coordinator, and/or Faculty member should be notified if unable to do shift

POLICIES

- Shift requests and/or Time off requests

You will have up to 4 weeks prior to begin your rotation for any requests

* No requests after that time limit will be accepted (exception can be done in a case to case and if it is approved by your Dean, Clerkship Director, and/or Program Director)

EVALUATION PROCESS

- Each student will be evaluated by the attending and or senior Resident at the end of each shift(is Highly Recommended to get at least 50% of the evaluation by an attending)
 - This will help the clerkship director to get a better idea of the progress of each student and to obtain a better way to evaluate **(it is the responsibility of the student to make sure that an evaluation per shift is filled for proper credit and assistance corroboration)**
 - This will be 50% of the evaluation
- Small group discussion and participation.
 - This will be 25% of the evaluation
 - Participation includes the interaction during the small groups dairying the student teaching sessions and the patient encounters and procedure's list completion

EVALUATION PROCESS

- 12 quizzes to be completed open book during the 4 weeks of the rotation. A final test should be done during your last week of the rotation at the residency office. The date should be coordinated with our residency Coordinator Erica Calderon. This will be 20% of your grade
- You will be responsible to do an 10-15 minutes case presentation of one of your patients that will be presented either to the other students, residents and/or faculty. This will be 5% of your grade
